## Fiscal Estimate Narratives

OCI 6/16/2005

LRB Number	05-0697/1	Introduction Number	AB-473	Estimate Type	Original
<b>Subject</b>					
Requiring insurance coverage of one wig for each person with cancer					

### Assumptions Used in Arriving at Fiscal Estimate

The Office of Commissioner of Insurance (OCI) reviews policy forms to ensure compliance with Wisconsin's laws and regulations, and responds to complaints. Ensuring that insurers comply with the requirements of this bill will be fulfilled as part of the standard activities of the office. Any additional cost will be absorbed by OCI.

In accordance with s. 601.423, Wis Stats., OCI will prepare the mandated study on the fiscal and social impacts of new mandated insurance benefits.

The fiscal effect on local Governments is indeterminate. Coverage of one wig for cancer patients is not currently a mandated coverage in Wisconsin health insurance plans and depends on the employer's desire to offer this coverage. OCI has no data that identifies how many local governments have this type coverage in their health benefit plans. A calculation of the fiscal impact is not possible.

### Long-Range Fiscal Implications
